

## 1 John Reading Plan

Here are the verses of the Letter of 1 John, separated into weekday readings, over the next 9 weeks. You can read through the letter 3 times if you follow this reading plan.

We hope you take some time either individually or with your family to read these passages reflectively over the next months. Slow down, and read the scriptures maybe two or three times and see if a word or phrase pops out that you're curious about, or feeling prompted to focus on. It could be the Holy Spirit trying to say something to you. Pause, and listen. God may be whispering something to you that can invite, encourage or challenge you. Practice this with others too!
